OCREC — Okaloosa County Republican Executive Committee

Precinct leaders are the grassroots - Join us today!

The precinct is the smallest political unit in the State of Florida. OCREC, or the Okaloosa County Republican Executive Committee is made up of Precinct Leaders from each precinct in the county. The Executive Committee is the governing body of the Republican Party in every county in Florida.

For every 1000 voters in a precinct, one man and one woman can be elected to membership in the Executive Committee. Attendance at two Executive Committee meetings is required and on the third meeting, the person becomes a Precinct Committeeman/woman by a vote of the existing Executive Committee. The Precinct Committee leader is the bridge between the voters and the Republican Party.

Precinct Committee Leaders are the GRASSROOTS . . . the boots on the ground.

You will have the opportunity to influence the direction of the Republican Party—from the ground up.

There is no time to waste.

- Find out what voters are thinking by walking the precinct and knocking on doors
- Help voters get absentee ballots

- Distribute campaign materials, organize neighborhood, phone banks and work the polls on Election Day
- Help candidates meet voters

“You and I have a rendezvous with destiny. We will preserve for our children this, the last best hope of man on earth, or we will sentence them to take the first step into a thousand years of darkness. If we fail, at least let our children and our children’s children say of us we justified our brief moment here. We did all that could be done.”

*President Ronald Reagan,
October 27, 1964*
